## **Discussion – project unit „Intercultural Studies“**

**Monday, 28 November 2016**

As you have just listened to presentations about Germany, we would like you to discuss these intercultural topics.

Therefore, please make notes on the following questions in teams consisting of 2 first year students from Germany, 1 second year student from Germany and 1 Estonian student.

Be prepared to contribute to the discussion.

### **Intercultural knowledge**

1. What exactly did you learn new about Germany? Name at least **two** aspects.
2. To be answered by Estonian students only: In what way does the educational system, family life in Germany, political system, culture / customs, etc. differ from Estonia?  
Please name at least **three** different aspects.
3. To be answered by German students only: You learned more about the German educational system, family life in Germany, political system, culture / customs, etc. What exactly would you like to know about Estonia with regard to the topic mentioned in the presentation?  
Please ask at least **three** questions.
